**LIMITED  
WARRANTY\***

# Gas Furnaces

## COMFORT

Thermal Zone gas furnaces are designed around a **patented tubular primary heat exchanger**, which provides improved air flow. The result is quiet, consistent comfort.

## AFFORDABLE

The **self diagnostic control board** can detect problems and help your servicing contractor to correct them quickly and efficiently.

Your new Thermal Zone high efficiency gas furnace has a **10 Year Limited Warranty on all Parts\***, so that you can enjoy many years of worry-free comfort.

**Financing Options Are Available.** Ask your Thermal Zone dealer, or go to [www.ThermalZone.com](http://www.ThermalZone.com) for details.

## RELIABLE

Thermal Zone furnaces utilize a **patented tubular heat exchanger** and the **incredibly reliable Spark Ignition System**, so that you can depend on your furnace season after season.

## EFFICIENT

With a height of only 34 inches, versatile design, and an efficiency rating of 80%, the Thermal Zone furnace is the perfect fit for any home.

## Optional Equipment

Thermal Zone gas furnaces support numerous add-on indoor air quality devices.

**Air Cleaners** remove pollen, dust and other particulates from the air.

**Air Purifiers** help to control virus, bacteria, mold and odors.

**Humidifiers** add humidity to the air in colder months.

**WiFi Thermostats** allow you to control your new comfort system from your smart phone.

Model	AFUE	Description	Blower	Heat Exchanger Warranty
TZ80*SS	80%	Single Stage	Standard	20 Years
TZ80*SX	80%	Single Stage	High Efficiency	20 Years
TZ80*DP	80%	Two Stage	Standard	Lifetime
TZ80*DV	80%	Two Stage	Variable Speed	Lifetime

### Enhanced Efficiency Blower Motors

**TZ80\*SX** - High Efficiency motors can significantly increase the efficiency of your air conditioning system, saving you money all year long.

**TZ80\*DV** - Variable speed motors constantly adjust to conditions inside your home. Therefore, they are quieter, more efficient and provide improved comfort over standard motors.

### Two stage heating

**TZ80\*DP, TZ80\*DV** - Two stage furnaces run at a lower BTU/h capacity when the weather is mild, and at full capacity when the weather is more extreme. Two stage furnaces provide improved comfort and save you money.

\* **10 Year limited parts warranty.** Complete warranty details are available at [www.ThermalZone.com](http://www.ThermalZone.com) or from your Thermal Zone dealer. Timely registration is required in most states.

**TZ80\*SX, TZ80\*DP, TZ\*DV** - Limited Lifetime Heat Exchanger Warranty
