High-Efficiency Gas Furnaces

COMFORT

Thermal Zone high-efficiency gas furnaces are designed around a **patented tubular primary heat exchanger**, which provides improved air flow. The result is quiet, consistent comfort.

AFFORDABLE

The **self-diagnostic control board** can detect problems and help your servicing contractor correct them quickly and efficiently.

Your new Thermal Zone high-efficiency gas furnace has a **10-Year Limited Warranty on all parts**,¹ so that you can enjoy many years of worry-free comfort.

Financing options are available.
Ask your Thermal Zone dealer, or go to www.ThermalZone.com for details.

RELIABLE

Thermal Zone furnaces use the incredibly **reliable spark ignition system**, so that you can depend on your furnace season after season.

High-efficiency Thermal Zone furnaces utilize a **stainless steel secondary heat exchanger** to achieve ratings up to 96% AFUE².

Thermal Zone high efficiency furnaces utilize a **self-priming condensate trap**, so your furnace will start the first time every season. In addition, your new Thermal Zone high efficiency furnace has a **patented blocked drain sensor** to protect your home from damaging leaks.²

EFFICIENT

Select Thermal Zone Furnaces are Energy Star rated, and may qualify for energy incentives in your area. (TZ92 South Only, TZ95 & TZ96)

With a height of only 34 inches, a multi-position design, and efficiencies up to **96% AFUE**, Thermal Zone furnaces are a perfect fit for any home.

Model	AFUE	Description	Heat Exchanger Limited Warranty
TZ80UHIT	80%	Single Stage Up Flow/Horizontal	20 Years
TZ80DZIT	80%	Single Stage Down Flow	20 Years
TZ92M4IT	92%	Single Stage High Efficiency	Lifetime
TZ95M4IT	95%	Single Stage High Efficiency	Lifetime
TZ96M42V	96%	Two Stage High Efficiency/ Variable Speed Blower	Lifetime

Two stage heating

TZ96 - Two stage furnaces run at a lower BTU/h capacity when the weather is mild, and at full capacity when the weather is more extreme. Two stage operation provides improved comfort, and saves you money.

¹ Timely registration is required in most states. Complete warranty details are available at www.ThermalZone.com or from your Thermal Zone dealer.

² Features are available on 92% - 96% AFUE models.
